

ELSWORTHY ROAD, PRIMROSE HILL, NW3

ARLINGTON
RESIDENTIAL

A rare chance to purchase a double fronted semi-detached freehold building currently arranged as 3 flats. The property features a sizeable rear garden, the full width of the property, and some 90 ft / 27m in length from the rear of the building to the deepest point, at the foot of which is a garage accommodating 1/2 cars that could be converted to a studio/office subject to any consents required. There is a large roof terrace of some 950 sq ft/ 88 sq m with view towards Primrose Hill Park.

The property provides a total of 4,328 sq ft / 402.07 sq m of accommodation excluding the garage and shed, and benefits from planning consent for a new rear garden level as well as a ground floor rear extension, creating a large duplex maisonette which incorporates the existing ground floor flat and increases the accommodation by more than an additional 2,000 sq ft/ 185 sq m. Full details are available to be viewed on the Camden Council planning portal, Ref 2018/0423/P.

The 3 flats and the garage are all currently rented producing around £113,000 per annum on the following terms:
